

**REMARKS**

Reconsideration of the present application is respectfully requested.

Claims 1-28 previously presented for examination remain in the application. No claims have been amended, canceled or added.

Claims 1-6 are allowed.

Claims 7-28 stand provisionally rejected under 35 U.S.C. § 101 as being considered to claim the same invention as that of claims 6-25 of U.S. Patent Application No. 10/610,783.

Applicants respectfully submit that U.S. Patent Application No. 10/610,783 has been abandoned rendering the double patent rejection moot. Applicants therefore respectfully request withdrawal of the rejection.

Applicants respectfully submit that the applicable objections and rejections have been overcome and that claims 1-28 are in condition for allowance. Such action is earnestly solicited. If the Examiner disagrees or believes that further discussion will expedite prosecution of this case, the examiner is invited to telephone applicants' representative at the number indicated below.

If there are any charges, please charge Deposit Account No. 02-2666.

Respectfully submitted,
